“Virtual-Bio-Connect”

17th - 19th April 2025

Organised by

Department of Biochemistry

Government Medical College & Hospital,
Chandigarh

Under the aegis of

Association of Medical Biochemists of India

About the event

Dear AMBI Members & Guests,

We are delighted to announce the “4th National Postgraduate Update”. Building on the success of previous editions, this academic event is designed to meet the learning needs of postgraduate students.

This year, students will once again have the opportunity to enhance their theoretical knowledge and gain hands-on experience in the dynamic field of clinical biochemistry. The hands-on training workshops have been planned to strengthen practical understanding, ensuring a well-rounded learning experience.

In addition to the expert-led sessions, participants will have the opportunity to present their research, engage in interactive discussions, and receive valuable feedback from distinguished faculty across the country. The virtual platform for guest lectures will provide wider accessibility, enabling students to learn from renowned experts in a convenient and engaging manner.

We warmly invite all postgraduate students, senior residents and interested faculty to register and benefit from this enriching experience.
