**Ref: 2025-2027 Call for Nominations for one member position**

**To: IFCC Full Member Societies' National Representatives  
IFCC Affiliate Societies' Representatives  
Representatives of IFCC Corporate Members**

Dear Colleagues,

The Task Force on Global Lab Quality (TF-GLQ) is dedicated to improve quality, particularly through the implementation of IQC- and EQA-programs, in Clinical Laboratories, with a primary focus on developing countries.

**We are inviting nominations for one Member position for the term of office 2025-2027.**

The candidates, preferably young scientists below the age of 40 at the time of the appointment, should have extensive experience in the area of work of the Task Force. For further information, please visit: <https://ifcc.org/executive-board-and-council/eb-task-forces/task-force-on-global-lab-quality/>

Much of the work of the Task Force is conducted by email, but TF-GLQ meets monthly via Zoom and in person once per year.

All National Society Members are requested to encourage appropriate members to apply for this position. Applicants who are not selected as members may be eligible for corresponding membership.

Nominations should be directly sent to the IFCC Office ([cardinale@ifcc.org](mailto:cardinale@ifcc.org)) **by October 15<sup>th</sup>, 2025.**

The information must include:

- Letter of support from the National Society/Company;
- *Letter of motivation from the candidate describing why they would like to work with the TF-GLQ*
- Curriculum Vitae of the nominee describing the professional and/or academic career (including a list of publications), particularly highlighting the issues which could be important for the selection.

We look forward to receiving your replies.

With kind regards

*Professor Egon Amann  
Chair of IFCC Task Force on Global Lab Quality*
